LAWRENCE HAMM
FOR U.S. SENATOR OF N.J.

Esteemed County Clerks,

We, primary candidates for the U.S. Senate election in New Jersey, respectfully request that you utilize an office block design ballot for mail and in-person balloting for all competitive elections in the upcoming June 4, 2024, Democratic primary election, as Salem and Sussex county clerks already do with regard to all ballots, and as certain other counties do with respect to mail-in ballots. Party organizations will still be able to list the slogans of candidates, but the credibility of this primary necessitates your action to ensure that the election is seen as fair for all candidates – and for all voters – with a ballot that does not give any single candidate a state-conferred advantage by design.

With gratitude and respect,

LAWRENCE HAMM
FOR U.S. SENATOR OF N.J.

Esteemed Democratic Chairs,

As leaders of our party in our state, your role is to be stewards of the party, its functions and its reputation. In the wake of the indictment of Senator Menendez, the image and reputation of the Democratic Party in New Jersey is under the microscope like at no other time. The primary to succeed the Senator will set the stage for how voters throughout the state view the Democratic Party and decide whether our party took any steps to fix itself.

As stewards of the party, your role is also to try and keep the Democratic Party united. With Donald Trump on the ballot and control of both the House and the Senate at stake, leading this party in our state calls for efforts to unite the coalition.

We, Democratic primary candidates for the June 4, 2024, U.S. Senate election, are contacting you directly because of serious ongoing concerns about whether improper and unfair practices will continue to be taken within our party. Public news stories have detailed coordination between First Lady Tammy Murphy's campaign and the state Democratic Party, potential conflicts of interest, intimidation tactics, threats, public attacks, and questions about the use of state party resources. Calls for an investigation have gone unanswered, even against the backdrop of serious concerns over broader conflicts of interest given the dynamics of this particular cycle and the role of the Governor's Office.

There is a crisis of credibility right now in this Democratic Senate primary. At a time when President Biden is running on a platform to protect our democracy, we cannot be seen as taking steps here in New Jersey that are viewed as undemocratic, or worse still, pressure the President to do so. Otherwise we will severely damage our ability to attract voters, especially unaffiliated and young voters who are weary after the Senator's indictment.

As a result, we candidates are writing to call on each of you, as the representative for the Democratic Party organization in your county, to contact your county clerk and legislators and publicly register your support for having an office block ballot arrangement for all competitive elections in this primary, as Sussex and Salem counties already do, and as some counties already do with respect to mail-in ballots, to ensure the credibility of this election.

We reaffirm our previously stated commitment and support for an office block ballot statewide, irrespective of the outcomes of any upcoming county conventions and ask you to do the same.

With gratitude and respect,
